

Action Requested Items:
Update Infinite Campus information, if needed
Select and pay fees appropriate for your student
Add money to school lunch account at myschoolbucks.com
Consider completing [background check form](#) for volunteering
Consider completing Free and Reduced Lunch Application
Consider completing "Bridging Brighter Smiles" Program Application

We hope this message finds you enjoying a restful summer with family and friends. The purpose of this email is to follow up information you received this past June regarding our revised back-to-school process and "Welcome Back Day" on Tuesday, August 8, from Noon to 7:00 p.m. at the High School.

Please find the link to the [Infinite Campus Portal](#). This link will provide you with information specific to your family and is pre-populated with information related to your student(s)' schedule and associated fees (e.g. class, parking, extra/co-curricular, transportation, field trips, etc.) You will have the opportunity to purchase additional, voluntary items (e.g. yearbooks, K-8 student athletic pass (not family passes), winter/spring athletic participation fees, etc.), and complete volunteer background checks. If you have lost your portal login credentials, please contact Mrs. [Tammy Beranek](#).

Once logged into the portal, click on the *Household Information* and *Family Members* tabs--use the blue update buttons to change information. (This update is not instantaneously reflected on the screen.) Use the *Select a Student* button at the very top to choose a student and then the *Demographics* tab to update "non household" contacts--people to call when guardians are not available. The *Fees* tab will show what fees are associated with your student; use the *Payments* tab to pay the required fees and choose any Optional Items (additional sport fees, yearbooks, etc.) here. Your child's student number is also available in the portal, in the upper left hand corner. You will need this number if you choose to establish a "myschoolbucks.com" account for foodservice. If you wish to place money in your student's foodservice account, this can be done through www.myschoolbucks.com. Linking current myschoolbucks.com accounts, with incoming Kindergartners, can happen after August 1. If you have lost your login credentials, please contact Mrs. [Michelle Denk](#), and she would be happy to assist you.

We will be waiving the fee for use of your personal credit card, through the Infinite Campus Portal, from July 17-August 11, 2017. Unfortunately, we are unable to waive the "My School Bucks" fee for online lunch payments; however, our offices will continue to accept payments.

If you think your family may qualify for Free and Reduced Price School Meals, you may find that form by clicking this link to the [Food Service](#) website. Please remember you will need to complete a form annually. Completed applications may be returned directly to your student's school office. Applications will be processed after August 8.

The district also offers the "[Bridging Brighter Smiles](#)" dental program. Please click the link to find more information and enrollment paperwork for this program. Once printed and completed, please return the forms to your child's school office. Questions on this program can be directed to [Cheyenne Goodwin](#).

Very soon, you will be receiving an email from the Transportation Department. This will outline each route's pick-up and drop-off times and bus stop location. If there are questions about this information, once received, please call [Mrs. Beth Jauch](#) at [608-437-7106](tel:608-437-7106). You can expect to receive this information no later than July 26. As a friendly reminder, if you would like your child to ride to an alternative location (on rare occasions), please complete the "Bus Riding Change" form found at this [link](#).

In an effort to support our busy families, we have changed the focus of our annual registration event, now called "Welcome Back Day". It is no longer necessary, nor required that families attend this event on Tuesday, August 8, from Noon to 7:00 p.m. at the High School.

Who should attend Welcome Back Day:

- *Families new to the District, who have not yet registered
- *Families with concerns about the pre-populated data in Infinite Campus
- *High school students for their student ID photos.
- *Adults who wish to purchase athletic passes (may also be purchased throughout the year at the High School Main Office)
- *Families needing support with their students' lunch service accounts or forms
- *Families with questions about transportation needs

Each of our five schools has additional information specific to their individual program. Please click the link(s) below for an informational website that will be helpful in your preparations for the upcoming year. Hover over the "For Parents" heading in the gray and choose an option listed for additional information such as supply lists, time schedules, the district calendar and other items.
