

October 31st 2016

Dear Mount Horeb Community and Families,

As you know, for the third year, we developed a School Improvement Plan (plan on a page) that outlines a set of powerful strategies aimed at measurable goals in student achievement centered on the district's strategic plan priorities of academics, technology and safety. Throughout the year, we monitor progress so we can make timely adjustments along the way.

Therefore, as I did last year, I wanted to keep you updated on where we are on our school goals. I have attached information on where we are to date. In addition, I have shared this information with the Intermediate Center staff and we have met as a staff to identify themes in the collected data to analyze the information together and use what we learn to support or change our practice and our goals.

If you have questions please do hesitate to contact me. Thank you for supporting our school.

Sincerely,

Stephen Guziewski
Intermediate Center Principal
guziewskistephen@mhasd.k12.wi.us

2016-17 Progress on School Improvement Priority Areas

Intermediate Center

Priority Area 1: Intermediate Center Literacy Goal

Goal: By the end of the 2016-2017 academic school year, 60% of the Intermediate Center students will meet their Spring reading student growth projection on MAP.

Action Steps:

Journeys training and professional development with coaching for teachers	In progress
100% staff will have unit focus walls posted in classrooms	Complete
Weekly grammar and spelling tests	In progress
Semester walkthroughs tied to journey implementation	Not Started
Review MAP and AIMSweb data with staff 3x a year and look at targeted student intervention aimed at skill deficit	In progress
Continue close reading strategies in classroom	In Progress

	2014-15 Fall	2015-16 Fall	2016-17 Fall	
3rd grade MAP reading proficiency	59%	66%	79%	
4th grade MAP reading proficiency	58%	76%	77%	
5th grade MAP reading proficiency	67%	78%	77%	
All student MAP reading proficiency	61%	74%	77%	
All student MAP reading growth percentile (*new in 2015)	Not calculated yet by NWEA	54 % For 2015-16 school year	N/A	

Represent cohort 1 over time, **Represent** cohort 2 over time **Represent** cohort 3 over time

Priority Area 2: Intermediate Center Technology Goal

Goal: By the end of the 2016-2017 academic school year, 85% of Intermediate Center students will demonstrate independent and group use of Google Docs as measured by completion of Schoology course module, and 100% of staff will submit a shared folder to the building principal with a Google Doc and a Google Slide presentation created by each student.

Action Steps:

Teams will identify a team tech person to go to locally for help	Complete
There will be google PD offered throughout the year for staff	In progress
Midyear check on completion of google schoolboy course	Not started
Principal will set up google classroom for staff	In progress
Develop second schoology student course for 4 th and 5 th grade	In progress
Send selected staff to SLATE conference and have them present to staff	In progress

IC Technology Schoology course completion	Fall/Winter 2016-17	Winter 2016-17	End of year
	Establish baseline for students. (0%)		End of year student Goal 85% End of year staff goal 100%

Priority Area 3: Intermediate Center Safety Goal

Goal: By the end of the 2017-2018 academic school year, think sheets will decrease by 10%.

Action Steps:

District training on gender based bullying professional development	In progress
Start PBIS Tier 2 behavior interventions (ex CICO, SAIG groups)	In progress
Have teachers review school expectations for recess in classroom	In progress
Monthly character trait review in classroom	In progress
Address behavior training through guidance class	In progress
Team attend PBIS Tier 2 training	Complete

IC Safety Goal	Fall 2016-17	Winter 2016-17	End of year
	Establish baseline for office referrals based on this year
