

IMPORTANT INFORMATION FROM THE BOARD MEETING ON NOVEMBER 2, 2015

- 1) Facility Plan Update – Bray Architects has had another opportunity to meet with staff at each building and get additional input from them to assist in the planning process. The next Steering Committee meeting is Thursday, November 19, at 6:30 p.m. at the Early Learning Center. The group will tour the Primary Center and Early Learning Center at that meeting.
- 2) Crisis Communication and Debrief – After school was dismissed for the day, a bomb threat was found in a boys' bathroom at the High School. The building was evacuated and 911 was called. A full search of the building was conducted to ensure the building was clear. From every experience we learn and improve our procedures for handling crisis situations. We recognize that there were some issues with communication and we are continuing to constantly improve upon that aspect as well as all other areas.
- 3) Consideration of Superintendent Hiring – A quote request went out on Tuesday, November 3, to potential Superintendent Search Firms which will help the District through the process of hiring a new superintendent. A work group will meet on November 12 to review the quotes and provide feedback to the Board.
- 4) Consideration of Middle School Trip to Paris, Spring 2017 – The Board approved Rebecca Cryer's student trip to Paris during Spring Break 2017.
